

HCOE Rosetta Stone Software Discounted Group Purchase

HCOE is helping organize a Region I group purchase of online licenses for Rosetta Stone language software which many districts have expressed interest in. After reviewing available language learning materials, our staff decided that this program is most likely to meet the needs of our students. Rosetta Stone is a SBE approved curriculum (SB 1802) for meeting the needs of English learners and provides multiple languages other than English.

This consortium purchase brings the normal \$300 price per license down to just under \$100 including a headset.

- Rosetta Stone has 4 levels of ELD and offers instruction in 31 different languages
- Licenses may be purchased for anyone interested in studying a language including students, staff and parents
- Learners may work on lessons at any time from any internet-connected device
- Each license is good for one year from the date of purchase
- Licenses may be transferred from one student to another or changed from one language to another
- Progress can be viewed by county, district, school, teacher, or individual student

To see an online demonstration:

Go to Google and type: Rosetta Stone Demo. This will give you a choice of online demonstrations of the Rosetta Stone program.

One of the demos is at this URL:

http://resources.rosettastone.com/demo_launch_files/pc-media/launch.html

If you would like to place an order as part of this consortium, please contact Linnea Mandell by **January 24th** to indicate how many licenses you want.

Here is the information needed to place your order:

Total # Licenses	Name of school, district or organization	Name of contact person	Email	Phone

We will arrange who the license will be assigned to, what language and level is needed, and invoicing at a later date.
